Lights up on Apple, Pineapple, and Tomatillo on a Camper sales lot. Apple and Pineapple wear home-made tin foil hats, and carry large duffle bags.

TOMATILLO

Hey folks, welcome to the
Recreational Vehicle Superstore!
What do I have to do to get you
into a new camper...

Tomatillo notices the tin foil hats that Apple and Pineapple are wearing.

TOMATILLO (CONT'D)

... today?

PINEAPPLE

I'm Pineapple, this here is Apple.
We'll call you Tomatillo while we
do business together. No real
names.

APPLE

We're in the market for an armored
camper, Tomatillo.

TOMATILLO

Uh. They don't make campers with
armor. These are recreational
vehicles after all.

PINEAPPLE

Tomatillo, there are way too many
recreational and not enough
insurrectional vehicles, if you
ask me.

TOMATILLO

OK... Let's take a look at the
features of this Bad Larry. It's a
little home away from home after a
nice long hike, or birdwatching.

PINEAPPLE

Tomatillo, we're watching the
birds alright! Cause they are
watching us! We all know the birds
are spies for the Bourgeoisie.

APPLE

Can you wrap the entire camper in tin foil? Tin foil is the only thing that blocks the bird's mind bullets, Tomatillo.

TOMATILLO

Well, I don't know much about birds, honestly. But I've got a sales quota to meet, so let's make a deal.

PINEAPPLE

Tomatillo, the birds report to a secret gubbermint. Are you aware that a baby eating cabal of lizard people actually runs this country?

APPLE

From a seven mile deep lair beneath the White House, Tomatillo.

TOMATILLO

Well, I'm a little behind in that sales quota honestly, so let's get that paperwork started!

PINEAPPLE

Tomatillo, no names, no paperwork. We have a lot of cash, enough for this here transaction and to make you forget all about it.

APPLE

We do have another special request. See me and Pineapple here are the commanders of the army of the Ancient Aliens, Tomatillo.

PINEAPPLE

Tomatillo, Apple and I can only speak to our supreme overlords, the Ancient Aliens, from our dreams.

APPLE

So we need a bed that's real comfy like, Tomatillo.

PINEAPPLE

Tomatillo, you can put a waterbed
in that camper, wrap it all up in
tin foil, and fuck off with these
big bags of cash and be *with* us.

APPLE

Or you can walk away, without your
sales quota and be *against* us,
Tomatillo.

Tomatillo puts on their own tin foil hat.

TOMATILLO

Oh, I'm with you.

Pineapple and Apple pass their duffle bags to Tomatillo.
