Lights up on CHARLES and ROBERT on a cooking show stage.

PRODUCER

Their cable tv cooking show was cancelled due to poor ratings, so now they're live streaming on Twitch! Ladies and Gentleman, it's Charles and Robert!

CHARLES

Hi everyone! We're going to make a spicy chili recipe today. So easy and delicious!

ROBERT

I've already chopped an onion and the jalapeños. Remember to deseed them if you want less spice. They can be spicy pickles!

PRODUCER

You know there's no ratings on the internet, like there used to be on your cable TV show. You two can, uh, spice it up a bit.

CHARLES

Oh OK! Robert, "spicy pickle", (points at Roberts crotch) that's what you call your uh...

PRODUCER

That's more like it, Charles!

CHARLES

Now get some oil nice and hot, and add the onions and jalapeños.

ROBERT

Spicy pickle. You started calling it that after that saucy trip to Cancun.

PRODUCER

Oh, now it's getting juicy!

ROBERT

Next add a touch more oil, and then the spices. Don't touch them for a minute.

(MORE)

ROBERT (CONT'D)

Let the spices open up and reveal themselves to the recipe.

CHARLES

Yes, Cancun is where we really opened up and revealed ourselves to each other sexually.

PRODUCER

Oh do tell!

CHARLES

Oh, yeah. Now mix it all up, and drop the garlic in for another minute.

ROBERT

Oh yeah, Cancuuuun. Remember how we facilitated the largest orgy ever known in Cancun? Quite an accomplishment! Let's add in the tomatoes and beans now.

PRODUCER

Wow, that's unexpected!

CHARLES

Oh yes, I remember it well. The mariachi band, flamenco dancers, the entire hotel staff, 17 random tourists, and two penguins.

PRODUCER

Penguins?

ROBERT

Once that comes to a boil, turn it low and let it simmer for a couple hours. Damn it Charles, I am boiling for you now!

CHARLES

After all these years, all the group sex, all the multiple partners, the penguins... it's always you I come back to.

ROBERT

I love you so much.

CHARLES

Let's give these gen z'ers
something really exciting to add
to their stories.

Charles and Robert begin to get closer to each other, taking
off their clothes.

PRODUCER

This could be the first cooking
show on only fans!
