DETECTIVE JOHNSTONE
TONY SCARAFONE
BRAD RAD

Lights up on DETECTIVE JOHNSTONE and TONY SCARAFONE sitting across from each other at table in a police stations interview room.

DETECTIVE JOHNSTONE
We got you on murder,
racketeering, and arms dealing.
It's over Tony.

TONY SCARAFONE
You ain't got shit, Cop. I'm Tony
Fucking Scarafone! Nothing sticks
to me, baby.

DETECTIVE JOHNSTONE
We'll if you're not going to
cooperate, you don't leave me much
choice here.

DETECTIVE JOHNSTONE opens the door and BRAD RAD enters playing air guitar.

TONY SCARAFONE
Oh, it's fucking amateur hour over
here. Please tell me you're not
pulling the good cop, bad cop
routine?

DETECTIVE JOHNSTONE
I tried to make this easy on you
Scarafone. But now, it's good cop,
rad cop. Meet my new partner, Brad
Rad.

BRAD RAD
What's up my man!

Brad Rad rips a sweet riff on his air guitar.

TONY SCARAFONE
You think this fucking bozo is
going to get me to talk? A
fanabla!

BRAD RAD
I'm not here to make you talk. I'm
here to be awesome!

Brad Rad moves closer to TONY SCARAFONE and rips a sweet riff on his air guitar.

TONY SCARAFONE
God, this stunad is annoying.
Childish. Forget about it.

DETECTIVE JOHNSTONE
Tony, there's a way out of this.
Talk to me, and we can go easy on
you.

TONY SCARAFONE
I ain't no rat, pig.

BRAD RAD
Rats! Pigs! I love animals!

Brad Rad moves even closer to TONY SCARAFONE and rips a sweet riff on his air guitar.

TONY SCARAFONE
Vaffanculo!

BRAD RAD
I don't speak Italian, does that
mean you think I'm rad? Cause I
am!

Brad Rad moves even closer to TONY SCARAFONE and rips a sweet riff on his air guitar.

DETECTIVE JOHNSTONE
Last chance, Tony. I have only one
olive branch here.

TONY SCARAFONE
Your olive branch is a Pezzo Di
Merda! I ain't talking!

BRAD RAD
I do my talking with this sweet
air guitar, Tony!

Brad Rad moves even closer to TONY SCARAFONE and rips a sweet riff on his air guitar.

DETECTIVE JOHNSTONE
Confess Tony, and this will end.

BRAD RAD
These songs in my heart never end,
Tony!

Brad Rad moves even closer to TONY SCARAFONE and rips a sweet riff on his air guitar. He's literally on top of him or in his face.

TONY SCARAFONE
Alight alright! I'll talk, it was
me! Get this freak off of me!

DETECTIVE JOHNSTONE
Nice work Brad.

BRAD RAD
You too, bud.

BRAD RAD and DETECTIVE JOHNSTONE fist bump, then do a sweet air guitar riff together.
