Lights up on Petey, Tuggs (standing with giant Bud Lights in hand), and a Father and a Child seated in the stands watching an NHL hockey game.

PETEY

Tuggs, you see this, this hockey  
ref is fucking blind!

TUGGS

(shouting at Ref)  
Hey Ref, Fucking 51 in Blue  
fucking slashed three of our  
fucking guys in one fucking shift.  
You're fucking blind, Ref!

Petey and Tuggs yell more profanity at the ref and sit down.

CHILD

Daddy, those men are saying bad  
unfriendly words!

FATHER

Yeah guys, I'm here with my kid.  
Can you make your language a  
little friendlier?

PETEY

Oh yeah, sorry man.

TUGGS

Petey! This fff uh, friendly ref  
just missed another call. That  
should have been a friendly  
penalty!

PETEY

(stands and yells at Ref)  
Yeah Ref, you need to get your  
friendly eyes checked at a  
friendly optometrist!

TUGGS

(Stands and yells at Ref)  
And while you're at your  
appointment, me and Petey are  
going to make friends with your  
mother!

PETEY

We're going to go to your  
childhood home, and the three of  
us will make a friendly sticky  
jigsaw puzzle, Ref!

TUGGS

In your friendly childhood bed in  
your friendly Star Wars sheets!

PETEY

Once we're done there, we'll go to  
your dad's friendly office for his  
friendly retirement party.

TUGGS

Petey's going to jump out of the  
giant friendly cake in his  
birthday suit!

PETEY

Yeah man, we're going to have a  
giant friendly group hug and send  
your dad off with a bang!

TUGGS

None of us will be able to ride a  
bike for months, Ref.

Petey and Tuggs high five and sit down.

FATHER

Uh, thanks guys.

PETEY

You bet, pal.

TUGGS

You know I'm actually enjoying the  
game more without all the  
unfriendly language.

CHILD

(Stands on seat and yells)  
That's cause you're all dickwads,  
and I'm going to go fucking kick  
this fucking Ref's ass!
