

THE MAYOR OF FLAVORTOWN  
Chad Moore  
Apr 25, 2023 (version 009)

Lights up on MR. BURNS and GUY FIERI in a dark abandoned warehouse. GUY FIERI sits with his hands and feet bound to a rickety wooden chair. He has a hooded mask over his head and is terrified.

MR. BURNS  
Guy Fieri, eh? Excellent. Well, look at the Mayor of Flavortown now.

GUY FIERI  
Mr. Burns... from The Simpsons!? I haven't done anything. What do you want from me, Mr. Burns?

MR. BURNS  
You are a politician, Guy Fieri. The Mayor of Flavortown. You know the insatiable lust for power over the slacked-jawed troglodytes.

GUY FIERI  
What power? I ... I ... I don't have any power!

MR. BURNS  
This, is a transition of power, you senseless dunderpate. No voting, no filibusters. Just pain.

GUY FIERI  
I don't know what you're talking about, why are you doing this to me?

MR. BURNS  
Yesterday I became the Mayor of Springfield and by the time we are done here tonight, I'll be the Mayor of Flavortown!

GUY FIERI  
The Mayor of Flavortown? It's just a joke. It's not like really real, man.

MR. BURNS  
You were not voted into this office? No elections?

GUY FIERI

No.

MR. BURNS

Did you not organize a Coup d'état to seize power from the previous Mayor of Flavortown?

GUY FIERI

No, there was no ... no Coup.

MR. BURNS

How did you ascend so high?  
(Yelling) How did you become the Mayor of Flavortown?

GUY FIERI

There is no Mayor of Flavortown!  
Me and the crew did a J after taping a show at this little hole in the wall BBQ joint in Austin. We were just goofing off in the parking lot to wind down, man.

MR. BURNS

Goofing off?

GUY FIERI

I just kinda joked and made it up and they wouldn't let it go! And then everyone started calling me the Mayor of Flavortown.

MR. BURNS

Did a J and made it up, all for a larf, eh? Oh, fiddlesticks! I've wronged you.

GUY FIERI

Just please let me go.

Mr. Burns begins to untie Guy Fieri.

MR. BURNS

Mayor of Flavortown or not, it would be best if you pretended none of this ever happened.

GUY FIERI

Yes Sir, Mr. Burns.

Guy Fieri exits.

MR. BURNS  
Hrrrrmmmmmm. No Mayor of Flavortown  
after all. I'll need to accelerate  
my hostile takeover of  
McDonaldland. Start calling me  
Mayor McCheese!

Blackout
